SERVING

OFF CAMPUS, HOMES OF WIDOWS/SENIORS

In Scripture, God reveals His heart for a special group of people - widows. As the body of Christ, we are called to take care of them. The vision of this group is to support widows, widowers, and seniors with assistance for their day-to-day needs. We serve during organized Work Days, but also help as needs arise. Do you have a heart to serve? We need people for the Support Team (relational support), serve on Work Day projects, and to help us plan social events. We also need to know people with specialty skills (certified electricians, plumbers, etc.) You will find a place if you have a heart to serve. Contact Aaron to get connected!
